

**Report of Action Taken on Students Feedback**

(Academic Year: 2021-22)

I. Summary of Quantitative Feedback received from all the stakeholders in structured format

S. N.	Stakeholder	Total Count	Remark on quantitative feedback in structured Format
1	Students	603	Overall Agreement

II. Report of the actions taken on Qualitative Feedback received from all the stakeholders

Stakeholder	Feedback	Action taken
Students	Extra lectures should be conducted as per the requirement for syllabus completion of few subjects.	Extra hours are allocated in time table apart from hours allotted in university scheme.
	As syllabus is changed teaching focus should be on practical conduction as per new technology.	As per new syllabus, practicals are conducted to update students knowledge as per latest requirement in manufacturing industry
	As per syllabus is changed focus should be on practical conduction as per new technology.	As per new syllabus, practicals are conducted to update students knowledge as per latest requirement in software industry.
	Increases the Quantities of Reference Books & Text Books.	As per the suggestion by students send the recommendation to the Principal.
	Some practical should be added on recent development in civil engineering in every subject so that we will be in touch of recent technology of civil engineering	Suggestion has been taken in to consideration and HOD civil should look to this that there should be more industrial exposure to students.
	Aptitude test, GATE classes, group discussion should be taken.	As per the suggestion of student & part of technical skill development Aptitude test, GATE classes, group discussion programs are arranged for students.

**Report of Action Taken on Teachers Feedback**

(Academic Year: 2021 -22)

I. Summary of Quantitative Feedback received from all the stakeholders in structured format

S. N.	Stakeholder	Total Count	Remark on quantitative feedback in structured Format
1	Teachers	89	Overall Agreement

II. Report of the actions taken on Qualitative Feedback received from all the stakeholders

Stakeholder	Feedback	Action taken
Teachers	Practical can be involved in High Voltage Engineering is required. (VIII th SEM) (8EE02)	Suggested faculty to give practical knowledge to our students by conducting practical's along with theory.
	Allocated hours for the course EMF (Electromagnetic Fields) should be extended.	Suggested changes are recommended and faculty is informed to conduct extra lectures.
	Practical Inclusion should be done in the course EC-1(4ME02).	Syllabus is changed but suggestion is given to faculty to give practical knowledge along with theory for subject.
	Increase extra hours for the course DCN(4KS02)	As syllabus is vast suggested respective faculty to conduct extra lecture apart from syllabus.
	Practical Inclusion should be done in the course AI(4KS01).	Syllabus is changed but suggestion is given to faculty to give practical knowledge alongwith theory for subject.
	Practical can be involved in ADRCCS	Suggested faculty to give practical knowledge to our students by conducting Practical along with theory.

AFFILIATED TO SANT GADGE BABA AMRAWATI UNIVERSITY, APPROVED BY AICTE NEW DELHI, DTE, MUMBAI, MSDE MAHARASHTRA

Report of Action Taken on Alumni Feedbacks

(Academic Year: 2021 -22)

I. Summary of Quantitative Feedback received from all the stakeholders in structured format

Stakeholder	Total Count	Remark on quantitative feedback in structured format
Alumni	21	Overall agreement

II. Report of the actions taken on Qualitative Feedback received from all the stakeholders

Stakeholder	Feedback	Action taken
Alumni	Practical knowledge should be given as per industry requirement.	New syllabus meet industry expectations, instructed faculty to deliver practical knowledge as per requirement.
	Focus on aptitude and reasoning skills preparing students for campus placement	Decided to focus more on these skill sets in Ongoing add-on programme of the institute.
	Current and updated knowledge is essential for the students.	Prepared a plan to conduct lectures beyond the syllabus to cover recent trends in the field of engineering.
	Improve Communication skills for campus interview	Conducted guest lectures and personality development seminars for student improvement.
	Improve Training Placement Facilities also Place maximum students as possible	Informed Principal and T&P officer to Place maximum numbers of student as per suggested by alumni.

Report of Action Taken on Employer's Feedback

(Academic Year: 2021-22)

I. Summary of Quantitative Feedback received from all the stakeholders in structured format

Stakeholder	Total Count	Remark on quantitative feedback in structured format
Employer	14	Overall Satisfaction

II. Report of the actions taken on Qualitative Feedback received from all the stakeholders

Stakeholder	Feedback	Action taken
Parents	To invite more guest speakers & resource person from the industrial field.	More people from the industrial field were invited as guest speakers in the subsequent years
	Seminars were organized to familiarize the students with the latest developments.	Access to books and self-learning software are made available in the placement cell
	The recruiters were positive about the students ability to learn new things	The feedback is shared to the respective Heads of the department in order to encourage the students be even more focused
	To provide learning opportunities & to promote self-study among students	Students were motivated to enroll in NPTEL & MOOCs and many students completed the online courses successfully.
	Personality Development Class were focused to improve the presentations of the students	A Language Lab was set up by the college to improve the students communication skills in English.

Report of Action Taken on Parents Feedback

(Academic Year: 2021-22)

I. Summary of Quantitative Feedback received from all the stakeholders in structured format

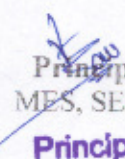

Stakeholder	Total Count	Remark on quantitative feedback in structured format
Parents	138	Overall Satisfaction

II. Report of the actions taken on Qualitative Feedback received from all the stakeholders

Stakeholder	Feedback	Action taken
Parents	Soft skill development program are conducted for overall improvement of students.	Recently, the institute has taken initiative of conducting Soft skill development program for overall improvement of students.
	Arrange industrial tour for student to improve knowledge.	Conducted industrial visit for improvement in practical knowledge.
	Bus Facility Should be Available	Suggested feedback approved and college has started bus facility
	MPSC Training program should be added	Suggested feedback approved and forwarded towards Principal for approval
	Conduct expert/guest lecture.	Regularly expert/ guest lectures are conducted and suggested faculty to increase the count.
	Soft skill development program are conducted for overall improvement of students.	Recently, the institute has taken initiative of conducting Soft skill development program for overall improvement of students.
	Canteen Need to be clean and maintained	Suggested feedback approved and taken action on cleanness
