## Notice

### Restricted use of Plastic

We would like to bring to your attention the institute's commitment to environmental sustainability. In line with this, the use of plastic materials such as polythene bags, water bottles, plastic spoons, plastic cups, etc., is strictly prohibited within the institute premises.

We kindly request the cooperation of all members to contribute to the betterment of our Earth by refraining from the use of these items. This measure aims to reduce pollution and foster a more eco-friendly environment.
